

Student's Seminar on  
Metallurgical and Materials Engineering  
**Behind the Teacher's Desk  
(BTDD-2025)**

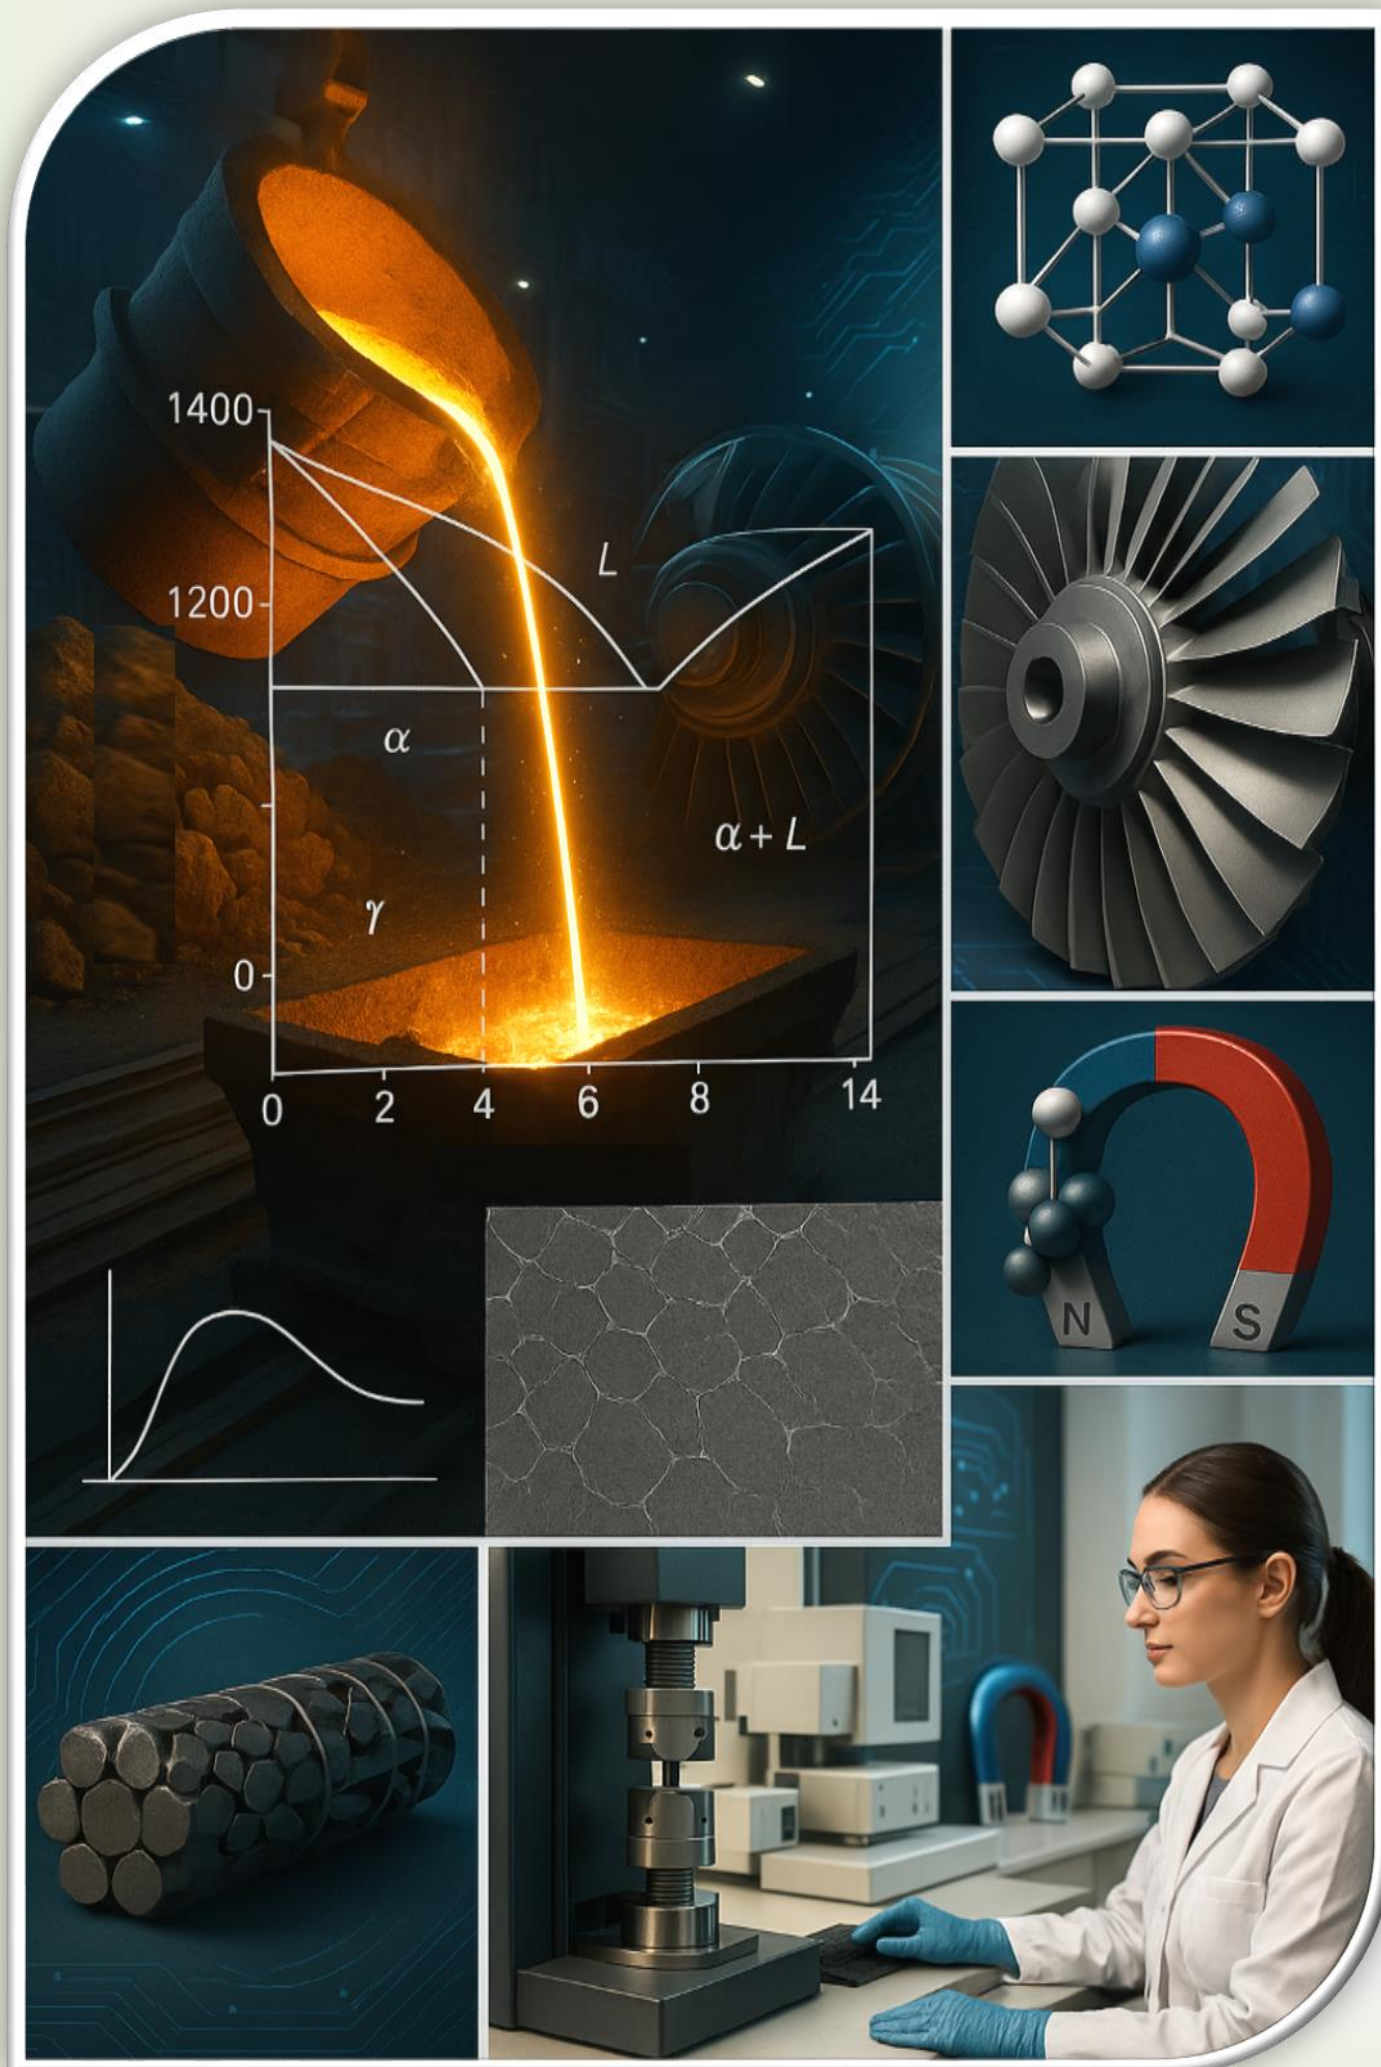

**June 25-27, 2025**

**Venue: National Institute of Technology, Jamshedpur**

*Organized by  
The Indian Institute of Metals (IIM), Jamshedpur Chapter*

*in association with  
Tata Steel Limited (TSL), Jamshedpur  
CSIR-National Metallurgical Laboratory (NML), Jamshedpur  
National Institute of Technology (NIT), Jamshedpur*

## About the seminar

Since its inception in 2011, the seminar "Behind the Teacher's Desk (BTDD)" has blossomed into one of the most sought-after events among the student fraternity of India. BTDD has been held annually at the CSIR-NML Jamshedpur and attracts more than 200 students from across the country. The event provides a launch pad for the students to showcase themselves and interact with scientists, eminent metallurgists, engineers and entrepreneurs to develop new skills in metallurgy and materials technology.

## Who can participate?

UG and PG students, scientists, faculty members, project assistants and industry professionals working in the domain of materials and metallurgical engineering

## Major Themes of the seminar

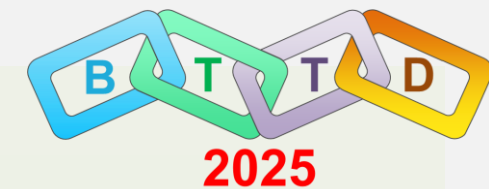

- Innovations in mineral processing and metal extraction
- Innovations in Iron & steel-making
- Advances in alloy design & phase transformations
- Mechanical behaviour of materials
- Materials modelling and simulation
- Corrosion and surface engineering
- Sustainable metallurgy and Energy materials

## Abstract Submission

Interested students should submit an abstract (300 words max) in MS word format and send it by email to [btdd.iimjsr@gmail.com](mailto:btdd.iimjsr@gmail.com) . The abstract template is available at <https://iimjsr.com/btdd-2025/> , the BTDD 2025 website.
