

**IIM**  
Metallurgy  
Materials Engineering

A NATIONAL WORKSHOP ORGANIZED BY INDIAN INSTITUTE OF METALS

# New Horizons in Metallurgy, Materials, and Manufacturing

14-16 DECEMBER 2020

## Modules

- Principles of Alloy Design
- Principles of Alloy Design - ICME
- Correlative Microscopy
- Additive Manufacturing
- Welding and Joining
- Ferrous Metallurgy
- Non-Ferrous Metallurgy
- Materials Recycling
- Surface Engineering
- Materials Degradation
- Bio-Materials
- Sensors & Electronic Materials
- Energy & Battery Materials
- Composite Materials
- High Entropy Alloys

## Organizers

Dr. Amber Shrivastava (IIT Bombay)  
Dr. Amit Arora (IIT Gandhinagar)  
Dr. Chandan Srivastava (IISc Bangalore)  
Dr. Nikhil Dhawan (IIT Roorkee)  
Dr. Sudhanshu Shekhar Singh (IIT Kanpur)

AN INDIAN INSTITUTE OF METALS BANGALORE CHAPTER EVENT

LAST DATE OF REGISTRATION

**10 DECEMBER 2020**

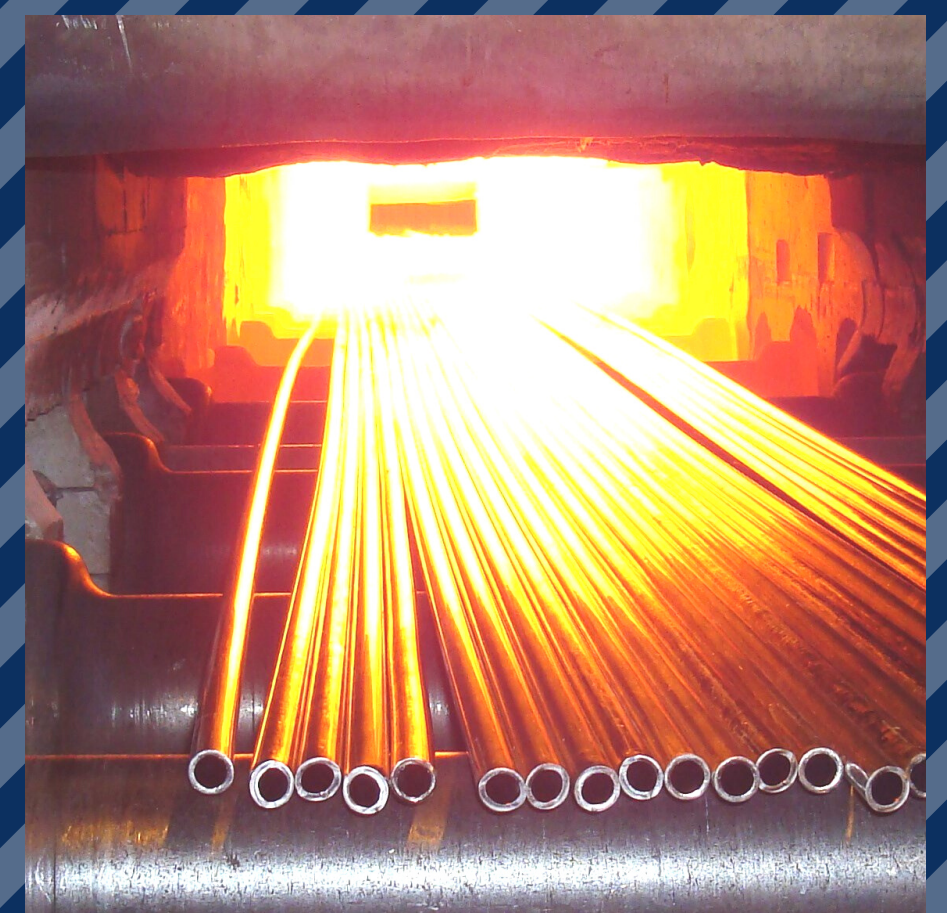

For registration, visit:
