

Padma Shri Dr. Baldev Raj, Past President of IIM, born on 9th April 1947, passed away on January 06, 2018 at Pune. He was Director of National Institute of Advanced Studies, Bengaluru, and formerly Distinguished Scientist & Director of Indira Gandhi Centre for Atomic Research, DAE, Kalpakkam. Dr. Baldev Raj was well known internationally for his outstanding contributions towards energy policy, advanced materials, manufacturing processes, and characterisation of materials. He has occupied several important and prestigious positions in national and international bodies including President of IIM, and has been decorated with prestigious national & international honours.

IIM has instituted a Lecture Series to honour Dr. Baldev Raj for the outstanding contributions made by him to the nation and IIM.
