

Notice

AMIIM EXAMINATIONS

This is to inform everyone that the AMIIM examination would no longer accept new registrations after this year. The registration period will end on November 15, 2023.

From the next year, only those who registered previously but haven't finished the exam will be permitted to take it.

Also kindly note the following:-

- 1) The number of centers and the selection of centers for the IIM AMIIM examination will be entirely at the discretion of the IIM examination committee.
- 2) Students have to submit their project report within 6 months from the date of publication of the results after completion of all the Part II theoretical subjects. They have to appear for the VivaVoce within 3 months after submitting their project reports. The AMIIM Certificate will be issued subject to approval of the technical report prepared by the students and passing the Viva Voce examination as per rule.

Yours sincerely

P K Mitra

Controller of Examination
